

Under the British Council, International Dimension in Schools 2021-22, our school Bhavan's Bhagwandas Purohit Vidya Mandir, Trimurti Nagar, Nagpur had undertaken an INTERNATIONAL COLLABORATION SESSION with New Indian Model School, Dubai, under the project FIFA.

The collaborative session was a huge success wherein students from both the countries had shared and exchanged their ideas on different traditional artforms of various countries.

As a token of gratitude our Principal Smt. Parwati G. Iyer had sent a Madhubani painting and an Arabic Calligraphy art made by our students to UAE to New INDIAN MODEL school, Dubai, UAE as a part of exchanging ideas on the topic "OUR ART CORNER" on theme FIFA...FESTIVAL OF INTEGRITY FOOD AND ART.

These paintings are the beautiful creations by two of our school students Ms Indrani Kaduskar and Mst Goransh Sharma.

New INDIAN MODEL school, Dubai, UAE has acknowledged the same and the gift was received by the Principal Ms Karen Robinson and Teacher coordinator Sheeja Sharif.

They were all delighted and have sent good wishes to our kids for the amazing work.
