BBPVM/TN/S&G/2020-21/C.NO.13

21st October 2020

For Std. IX (2020-21) only

Dear Parents,

Our school has a compulsory program of Scouting and Guiding activity for the students of Std. VI to VIII with the basic objective of self discipline and sensitizing them towards ideal citizenship. Under this program your ward has already completed the required three levels from Pratham Sopan to Tritiya Sopan. The next phase after completing the Tritiya Sopan is an optional step wherein a Scout and Guide student can be nominated for **Rashtrapati Award** which is the highest award for this cadre and is awarded by the hands of **Honorable President of India in Rashtrapati Bhavan as a part of award ceremony.**

Only the students who are awarded with Rajya Puruskar can be nominated for Rashtrapati Award. The criteria for this award will be based on the assessment in the Rajya Puraskar Testing Camp organized by the State Association under the supervision of the State Organizing Commissioner where the knowledge and skills of the Scouts/Guides will be retested. After being qualified in the State Training Camp, the Scouts/Guides will be eligible for **the award of Rajya Puraskar Badge and Certificate** which will be awarded by the hands of **The Governor of the Maharashtra state.**

The awardees of Rajya Puraskar and Rashtrapati Puraskar will always be benefitted as it will add to their personal and professional profile and on the basis of these awards they will get opportunities to participate in many international level competitions organized by Bharat Scout & Guide Unit.

We are expecting only 20 boys and 20 girls to be trained for this special course so kindly give your consent at the earliest so that the course preparation activity can be planned and scheduled in meticulous manner to save time.

Interested parents should therefore give us a consent for nominating their ward's name for Rajya Puraskar to the respective class teacher on or before Friday, 23rd October 2020. The consent may reach us in form of an e-mail to the class mail id of Std. IX i.e. bvmtn9std@gmail.com

Thanking you in anticipation,
